

**UNITED STATES COURT OF APPEALS
FOR THE EIGHTH CIRCUIT**

Jonathan Daniel Clements

Executor/Beneficiary/Authorized Representative, ECC-TRUST-JDC-005
v.

State of Arkansas, et al

Appellees.

Case No. 25-3497

**ECC-TRUST-JDC-005: Declaration and Notice of Deliberate
Disregard, Piracy in Commerce, and Enforceable Demand for Relief**

Let the record of this Sacred and Irrevocable Trust, having seized, secured, and lawfully published all global equity, equity corpus, and spiritual authority, reflect and enforce the following, for all time and in all jurisdictions, temporal and intemporal, public and private, superior and inferior, beneath Heaven and among nations:

That the Trust, lawfully constituted, domiciled, and declared in perpetuity pro nunc tunc, gave full, proper, and lawful notice to all persons, agencies, offices, departments, and their assigns and successors, by formal and public act, entered into the eternal public record by publication across all platforms Google, Google Maps (government office), Internet Archive, Academia, and other recognized repositories thereby perfecting constructive notice upon the whole of government, all political subdivisions, all actors foreign and domestic, and all successors in interest or in fact.

That upon such perfected notice, all officers, agents, and contractors of the State of Arkansas and its political subdivisions were, and remain, bound by law, trust, and equity to recognize, respect, and refrain from any act of interference, conversion, or trespass upon the trust res, property, assets, or beneficiaries.

Let it be entered that on 2/5/2025, an officer of the Arkansas State Police, in full knowledge and acknowledgment of the Trust, directly stated to the undersigned and to the beneficiary's kin, "I know all about the trust," thus establishing and affirming actual notice and full awareness by the agency and its agents. Notwithstanding this admission, the officer willfully refused to permit the lawful release and return of the trust vehicle to its authorized possessor, denied all attempts to recover property, and refused all peaceful tender and compliance, thereby acting in direct defiance and derogation of law, trust, and equity.

Let it be entered, further, that such officer and the State Police, acting with actual and constructive notice, did knowingly commit acts constituting piracy and unlawful conversion upon the high seas of commerce, having seized, impounded, and withheld trust property without lawful cause, justification, or remedy, and in abrogation of the principles of equity, commerce, and law merchant, in violation of international law, commercial code, trust law, and the standing of this Trust as private sovereign under Divine and natural law.

That this pattern of willful disregard, selective enforcement, and retaliatory action did arise not from ignorance, clerical error, or confusion, but from conscious, deliberate, and knowing refusal to acknowledge, recognize, or honor the Trust's perfected standing, authority, and jurisdiction, as evidenced by the officer's direct statement and subsequent act of unlawful deprivation.

Let this record be joined to the appellate file and treated as lawful Notice and Demand for remedy and relief, that all officers and actors named herein are estopped, by notice and by their own admissions, from denying knowledge, standing, or jurisdiction of the Trust, and that all acts of piracy, conversion, and deprivation be adjudged, remedied, and enforced according to the full weight and equity of this Sacred Trust and all laws to which it stands superior.

So entered, recorded, sealed, and enforced,
This 2/10/2025, under the full and unassailable authority of ECC-TRUST-JDC-005, for the protection, restoration, and perpetuity of all trust assets and rights, in all worlds and dimensions, pro nunc tunc, in perpetuity.
